BE CREATIVE.

■ Segni di storia nella pietra.

Incisioni per fermare nel tempo la vita, i suoi momenti, le paure, i riti.

Disegni di un tempo lontano che portano alla luce l'innato bisogno di lasciare traccia di se stessi.

Graffiti, l'anelito di eterno.

Dalla fermezza dell'incisione primitiva e dall'immortalità del segno rupestre nasce Graffiti.

Una collezione energica, decisa, grintosa, che trova forma in una selezione di pellami ricercati senza mai rinunciare all'eleganza e raffinatezza dell'anima DeNiroBootCo.

Le nuance dal glicine al petrolio, dal gold al rosè tracciano una varietà di stili capaci di interpretare caratteri e identità, esaltando tecnica e performance dei modelli. Nelle decorazioni la sublimazione dell'estro, firma di unicità.

Graffiti è la collezione che incide, racconta, tramanda, che lascia il segno, originale e creativo di DeNiroBootCo.

■ Graffiti ,

signs of history on the stones!

Engravings to leave traces of past lives , of old fears , of ancient rituals.

Graffiti ,

The desire to stop the moment forever.

The Beauty of primitive engravings has inspired Graffiti , the new DeNiroBootCo collection.

Versatile in the colours, Graffiti collection expresses its strong personality thanks to the design and to the charming pattern of the leather that recalls the engravings on the stones.

The nuances of colour between glicine and blue-green, gold and rosè show a variety of styles that enhance character and identity, technique and performance of the models.
